

Sentinel RMS license key

Run your purchased software on any computer

- ✓ Adds portability to your license
- ✓ Supports all software products
- ✓ Upgradeable with new features
- ✓ Convenient USB interface

For customers that wish to use our software on different computers we offer the possibility to purchase our software license locked to a USB dongle. Add this product to your software order and we'll deliver your software licenses linked to a compact Sentinel RMS license key.

Run your purchased software on any computer.
Ready to be shipped to USA and EU.
